

Am I a personal Space Invader Worksheet

Following are the tips on identifying if you are being a personal space invader. Read them carefully and use them in your daily life.

Notice the facial expression on the individual's face when you are talking to him. He will look annoyed and frustrated if you are invading their privacy.

Notice if you are too much after an individual and that individual is ignoring you.

Notice if an individual's attention is diverted when you are talking to them.

The individual won't make eye contact with you.

The individual's body language will give you a signal to stay away from him e.g closed arms.

The individual will start to avoid you.

The individual might say to you that they don't want to talk or they will talk later.

The individual will sit far away from you.
